Scholarship Application - Fall 2022

Writing Sample: Because we want to give you an opportunity to share information about yourself which may not be reflected in your grades and test scores, we ask that you attach a short essay (250 words or less) describing a challenge you have overcome since starting college and how that experience can enhance your success this coming school year.

Selection will be based upon academic performance, articulated goals and objectives, community or charitable involvement and activities which demonstrate personal character. If awarded, scholarship funds must be applied to tuition, fees, books, supplies and related educational expenses.
